# LeadDesk Purpose and Target

## **Purpose**

We believe in intelligent software that creates happy customer support and sales agents which leads to happy customers

## **Target**

Lead high-volume customer services and sales software cloud adoption

## LEADING THE EUROPEAN CONTACT CENTER CLOUD ADOPTION

OUR GAMEPLAN

# Strengthen Winning Culture

The right people in the right positions, shared values and mindset enable attract new recruits and help them to a head start

## OUR GAMEPLAN

# Strengthen Product Leadership

Strong focus on spearhead products, expand offering with strategic acquisitions and R&D

OUR GAMEPLAN

# Strengthen Growth Organisation

Develop sales organisation and competences, special attention to enabling solution sales to larger clients

# Competitive Landscape

## Global Cloud

## Local Niche

## Competitive advantage

1. Global and hyper local
2. Self-provisioning
3. Reliability and security

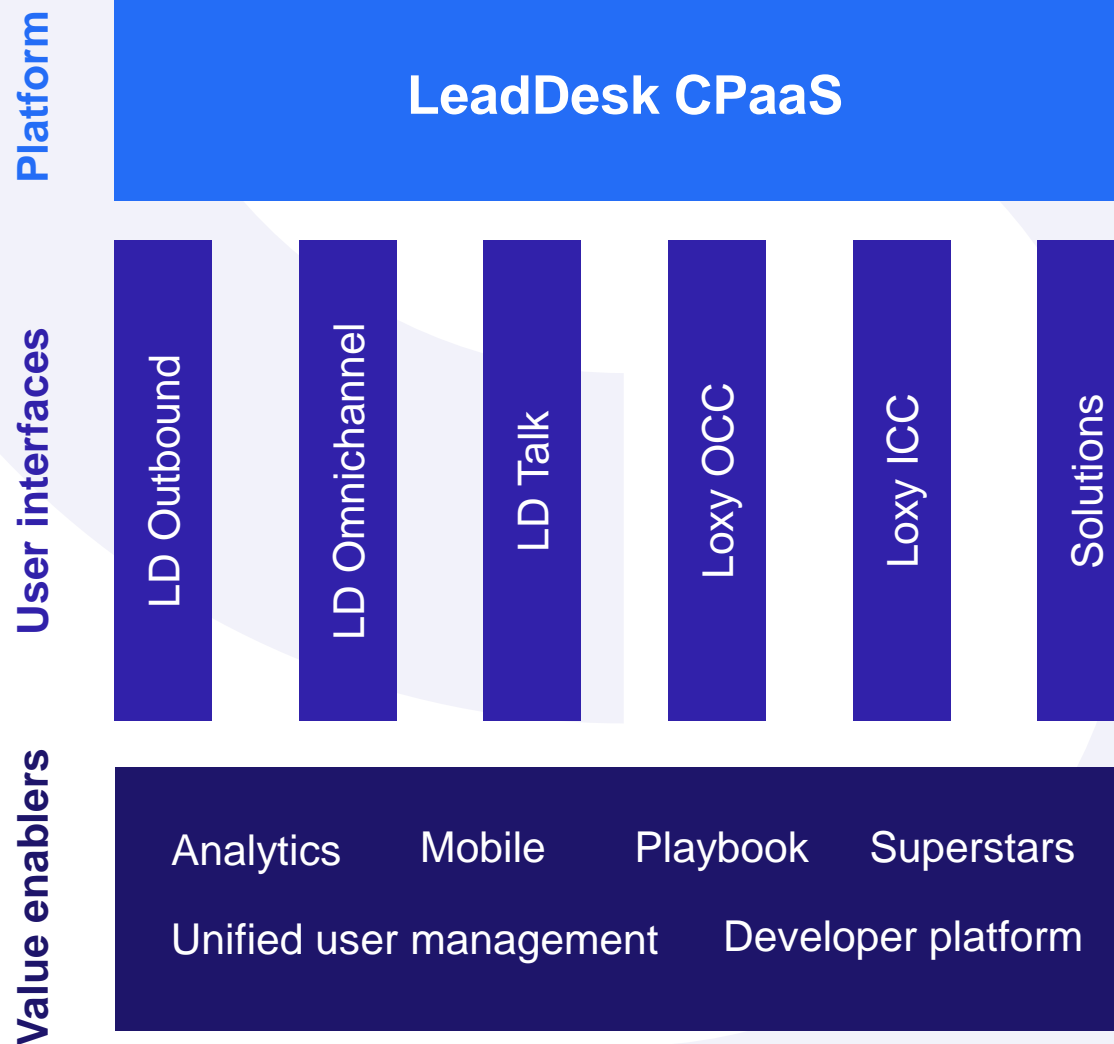

# Acquisitions

Integration status and future prospects

# Process integration is advancing as expected

# Coherent product portfolio built on a shared platform

# What kind of companies are we interested in?

In our domestic markets, we are evaluating all options. In growth markets we are mainly interested in strategic fit.

## Technology trends that are important to us:

- AI
- Workforce management
- Omnichannel
- Automatisations of agent work

# Financials

How are we monitoring our success?

# Key metrics that we follow

## **ARR**

Annual recurring revenue is the spot annualized value of the subscription contract base

## **LTV**

Lifetime value is the average sum of revenue we get from a customer

## **CAC**

Customer acquisition cost is the average investment we have to make to get a new customer

## **RETENTION**

Net and gross percentage of revenue that roll-over to the next fiscal year

## **REVENUE SPLIT**

Share of revenue from Licenses, CPaaS/Telco and Services

**ARR\* 2020**  
**€ 12 M**

**Revenue 2020**  
**€ 13.8 M**

## Monthly ARR\* Development

**CAGR 22%**

\*Unaudited. ARR stands for Annual Recurring Revenue, a key metric used by SaaS or subscription business that have term subscription agreements with defined contract periods. ARR is the value of the contracted recurring revenue components normalized to a one-year period. ARR is reported by the management.

ONE PRODUCT, TWO USER INTERFACES

# Proactive customer service with powerful outbound

- Increase agents productivity and sales
- Optimize campaign results
- Make your agents happy!

The screenshot displays the LeadDesk software interface. At the top, there are tabs for 'Inbound', 'Beauty & Health ma...', and 'Car magazine'. Below these, a sidebar shows a list of contacts including 'Annika Kankaanpää' and 'Jube Bowman'. The main area features a contact form for 'Cat food'. The form includes fields for 'Phone number' (0501234567), 'First name' (Katriina), 'Last name' (Kukkanen), 'Person ID (SSN)', 'Year of birth', 'Gender', 'Address' (123 Moon City D31), 'City' (Helsinki), 'Postal code' (00100), 'Country' (Finland), 'Email', and 'Web site'. There are also buttons for 'CALL', 'KEEP SAME', 'NEXT CONTACT', 'NEXT CONTACT AND REMOVE', and 'CHANGE CALL METHOD'. A table on the right lists 'Other info' fields with values like 'Have 2 kitties' and 'Prefer wet food'. At the bottom, there is a 'SAVE CONTACT' button and a table header with columns: 'DATE AND TIME', 'AGENT', 'CALL RESULT', and 'COMMENT'. The footer contains copyright information: 'LeadDesk © LeadDesk 2009-2019' and a timestamp: '2019-11-08 10:42:42 (UTC +02:00) (Europe/Helsinki)'.

#### LEADDESK MOBILE

# Connect your full workforce to LeadDesk

Offer your customers a smooth experience in every touch point and with any device.

- Use LeadDesk's powerful ACD to route the right calls to the right people in your organisation - desk or mobile.
- Transfer a call from LD to your mobile and keep the conversation going.
- Let every employee have a switchboard at their fingertips.

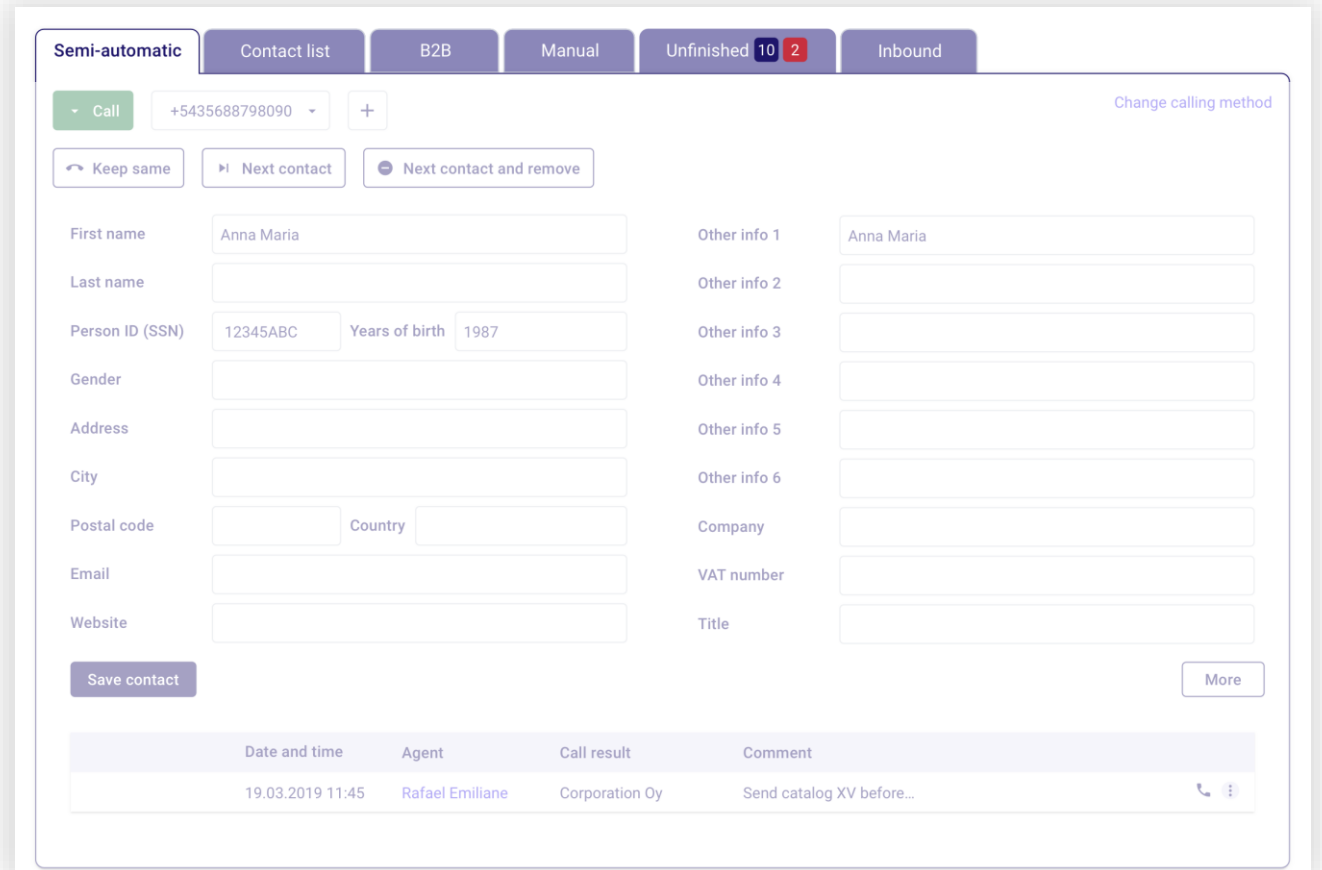

## MULTI-MODE DIALER

# Choose the dialer based on your situation

LeadDesk offers a full solution from high quality VoIP to various dialer modes and softphone capabilities to ensure you can focus on getting the most to your business.

- All dialer modes – Choose the one that fits your business scenario.
- High quality VoIP – Local availability, multiple operators and local infrastructure.

The screenshot displays the LeadDesk multi-mode dialer interface. At the top, there are tabs for 'Semi-automatic', 'Contact list', 'B2B', 'Manual', 'Unfinished' (with a count of 10 and 2), and 'Inbound'. Below the tabs, there is a 'Call' button and a phone number input field (+5435688798090). A 'Change calling method' link is visible in the top right. The main form area contains fields for contact information: First name (Anna Maria), Last name, Person ID (SSN) (12345ABC), Years of birth (1987), Gender, Address, City, Postal code, Country, Email, and Website. There are also fields for 'Other info 1' through 'Other info 6', Company, VAT number, and Title. Navigation buttons include 'Keep same', 'Next contact', and 'Next contact and remove'. A 'Save contact' button is at the bottom left, and a 'More' button is at the bottom right. At the bottom, there is a table with columns: Date and time, Agent, Call result, and Comment.

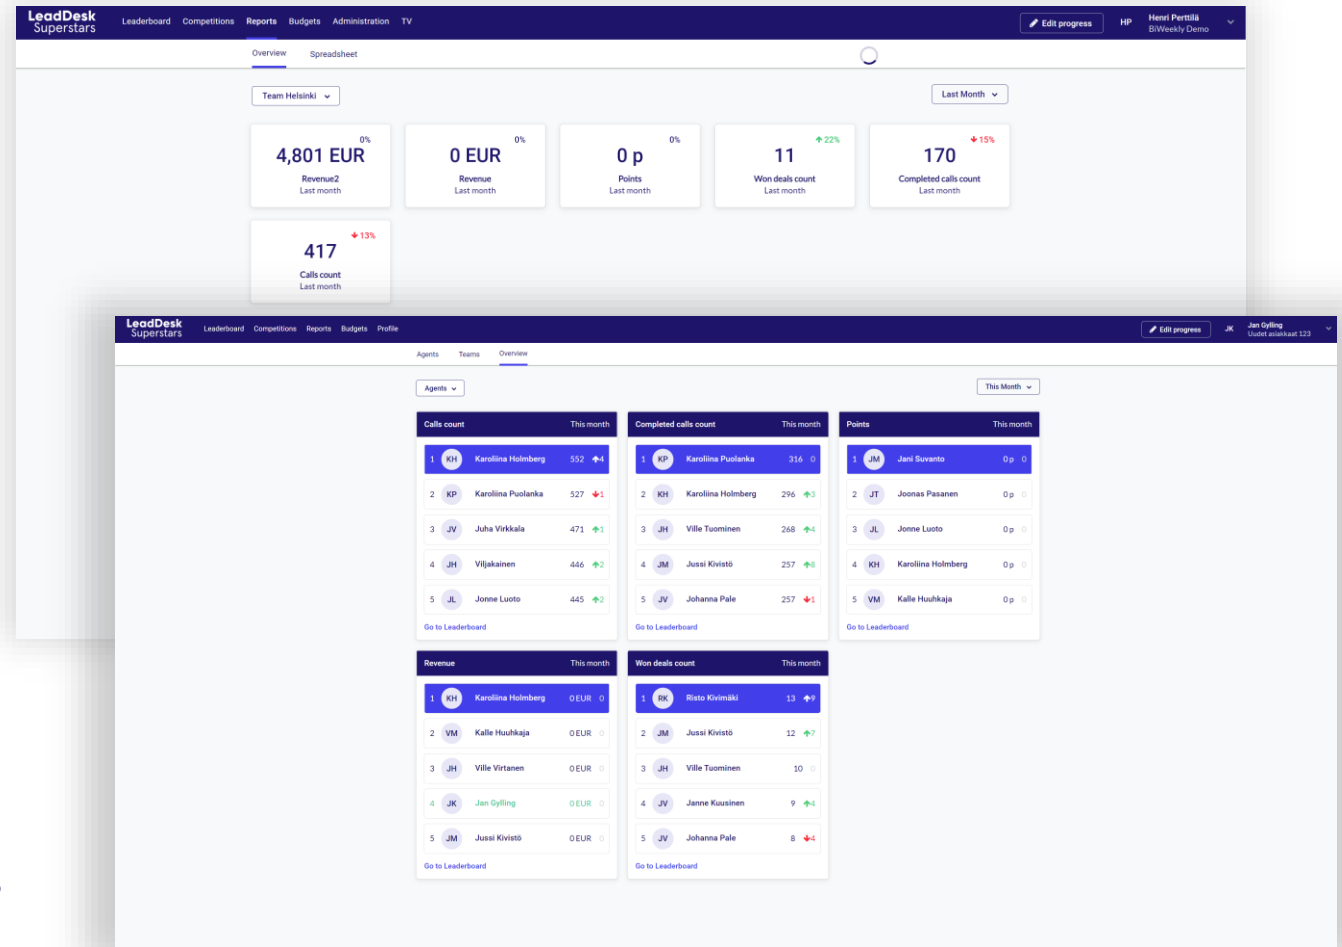

Date and time	Agent	Call result	Comment
19.03.2019 11:45	Rafael Emiliane	Corporation Oy	Send catalog XV before...

## LEADDESK SUPERSTARS

# Engage and motivate employees with gamification

Get the best out of your sales team by focusing on the metrics that matter the most.

- Create sales competitions, dashboards and leaderboards to boost performance
- Visualize performance for reports and office TVs
- Manage goals and budgets to stay on track

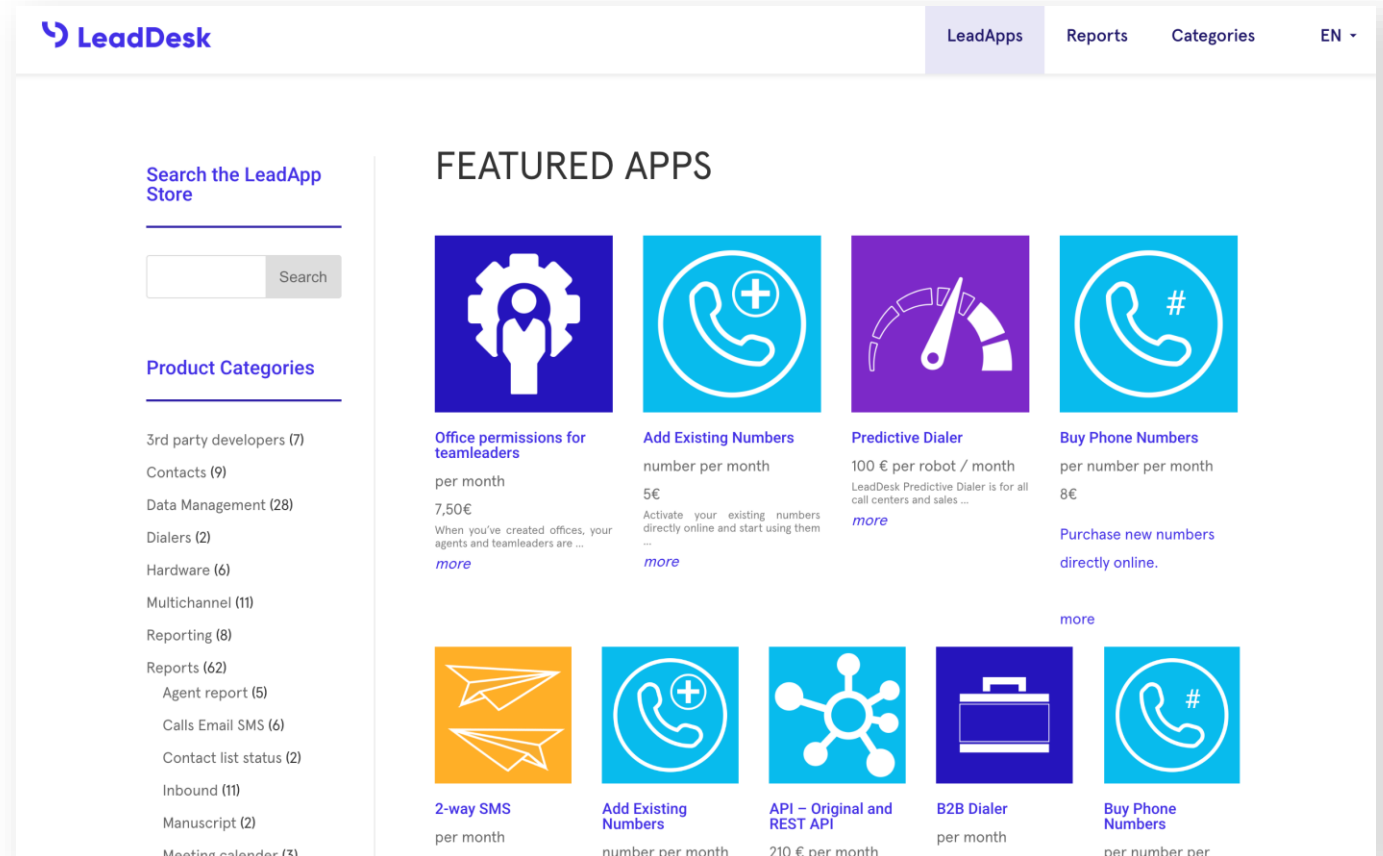

## LEADAPP-STORE

# Customize LeadDesk with LeadApps

Our own App-store let's you expand on LeadDesk features. From ready-made custom reports to replicate data-access and custom features.

- 100+ Apps and reports
- Simply sign into your admin account to purchase the LeadApp

The screenshot displays the LeadDesk LeadApp Store interface. At the top, the LeadDesk logo is on the left, and navigation links for 'LeadApps', 'Reports', 'Categories', and 'EN' are on the right. The main content area is divided into two sections. On the left, under 'Search the LeadApp Store', there is a search bar and a 'Search' button. Below this, 'Product Categories' are listed: 3rd party developers (7), Contacts (9), Data Management (28), Dialers (2), Hardware (6), Multichannel (11), Reporting (8), Reports (62), Agent report (5), Calls Email SMS (6), Contact list status (2), Inbound (11), Manuscript (2), and Meeting calendar (3). On the right, the 'FEATURED APPS' section displays a grid of app cards. Each card includes an icon, the app name, pricing, a brief description, and a 'more' link. The apps shown are: 'Office permissions for teamleaders' (7,50€ per month), 'Add Existing Numbers' (5€ number per month), 'Predictive Dialer' (100 € per robot / month), 'Buy Phone Numbers' (8€ per number per month), '2-way SMS' (per month), 'Add Existing Numbers' (number per month), 'API - Original and REST API' (210 € per month), 'B2B Dialer' (per month), and 'Buy Phone Numbers' (per number per month).
